

PEOPLE - NEW VACANCY

Investment Committee Member - Resonance Community Developers

- LOCATION:** Remote but with physical meetings at least twice a year to be rotated around our offices in Manchester, Bristol, Cornwall and London.
- COMMITMENT:** Monthly IC meetings of approx. 2 hrs. plus preparation

Are you looking for a new challenge where you can really make a difference to help shape a better way of life for people? If so, this could be for you.

Resonance is a social impact investment fund manager that is transforming the relationship between private investment and social good, and to help us, we are looking for an Investment Committee member to join our Resonance Community Developers, working on our community asset fund.

ABOUT US

Our vision is for communities to be empowered to own assets and meet local needs, build economic resilience, tackle inequality and strengthen community cohesion.

We believe that by supporting communities to build their own homes, take over community assets such as leisure facilities, develop community energy and revitalise pubs and shops, we are building resilience and helping neighbourhoods to be more self-sufficient.

THE ROLE

We are seeking a committed individual to join our Investment Committee, playing a crucial role in supporting the decision-making of our fund team on investments that will enhance the social and economic well-being of communities. The committee is responsible for scrutinising potential investment opportunities and ensuring alignment with the fund's Theory of Change and providing support & challenge to the fund team.

HERE'S WHAT YOU'LL DO FOR US – Responsibilities

- Evaluate investment proposals with a focus on community-led initiatives.
- Bring insights into the needs of community businesses and organisations, particularly those with a community ownership model.
- Help assess projects that target disadvantaged or deprived communities, ensuring they align with our commitment to creating positive social impact.
- Contribute to the strategic direction of the fund by ensuring diversity and inclusion are considered in all investment decisions.
- Collaborate with other committee members, drawing on diverse perspectives to provide constructive feedback.

WHAT WE WANT YOU TO BRING TO US – Skills & Experience

Person Specification:

We are looking for individuals with strong skills and experiences across the following:

- Community business and community ownership models.
- Economically deprived communities or those facing significant social challenges.
- Diversity, equity, and inclusion, with an ability to bring insights into how social investment can support underrepresented groups.
- Strategic thinking and the ability to assess the long-term impact of social investment projects.

All applications will be considered based on the merits of experience and knowledge.

WHY JOIN US

This is a unique opportunity to be part of a forward-thinking team that is shaping the future of community ownership. You will have a meaningful role in contributing to social change, while also enhancing your experience in impact investing.
